No. 21-11709-J

In re: L. LIN WOOD,

Petitioner.

On Petition for Writ of Mandamus from the United States District Court for the Northern District of Georgia

Before: GRANT and LAGOA, Circuit Judges.

BY THE COURT:

Before the Court is Petitioner L. Lin Wood Jr.'s petition for a writ of mandamus or prohibition, which asks this Court to issue (a) "a writ of mandamus or prohibition to set aside the May 10, 2021 Order denying judicial disqualification and restraining the Honorable Timothy C. Batten, Jr., United States District Court Judge for the Northern District of Georgia, from proceeding any further in the matter of *L. Lin Wood, Jr. v. Paula J. Frederick, et al.*, Case No. 1:21-cv-1169-TCB;" and (b) "an order re-assigning this case to another district court judge."

We ordinarily review a district court judge's decision not to recuse for abuse of discretion. In re Moody, 755 F.3d 891, 898 (11th Cir. 2014). Because the petitioner seeks a writ of mandamus, however, our review of the district court judge's failure to recuse is even more stringent. *Id.* After careful review of the record, the petitioner's petition for a writ of mandamus is DENIED because the petitioner has not shown that "no other adequate means are available to remedy a clear usurpation of power or abuse of discretion by the district court," *Carpenter v. Mohawk Industries*, Case 1:21-cv-01169-TCB Document 60 Filed 06/08/21 Page 2 of 3 USCA11 Case: 21-11709 Date Filed: 06/08/2021 Page: 2 of 2

Inc., 541 F.3d 1048, 1055 (11th Cir. 2008) (quoting In re Loudermilch, 158 F.3d 1143, 1144 (11th Cir. 1998)), and because petitioner otherwise has not shown that its right to this "drastic remedy" is "clear and indisputable," *Jackson v. Motel 6 Multipurpose, Inc.*, 130 F.3d 999, 1004 (11th Cir. 1997).
